bmyres2@gmail.com

I am an aspiring college student dedicated to advancing my expertise and practical exposure within the realms of Software and Electrical Engineering. My educational journey includes enrolling in a spectrum of IT and programming courses during my high school tenure as a dual-enrollment participant at Calhoun Community College. Following my high school graduation, I have substantially broadened my comprehension of diverse programming languages and operating systems. Furthermore, I have cultivated proficiencies encompassing computer networking, software development cycles, and the intricacies of rapid deployment and testing.

EXPERIENCE

05/2021 – 08/2021
CASHIER, FIVE GUYS

- Interacted extensively with customers on a daily basis, ensuring their utmost satisfaction.
- Collaborated seamlessly with colleagues to expedite order fulfillment within established timelines.
- Maintained a superior standard of cleanliness by meticulously inspecting and arranging tools and countertop spaces.
- Held the responsibility of training new staff members on Point of Sales software.

05/2022-PRESENT
SOFTWARE ENGINEER INTERN, BLUEHALO

- Designed software applications and established streamlined procedures to facilitate the efficient deployment of Unmanned Aerial Vehicles (UAVs).
- Took a leadership role and provided support in both ground and flight testing activities.
- Offered assistance in Continuous Integration/Continuous Deployment (CI/CD) pipelines to ensure seamless software development processes.
- Devised effective solutions to address timestamp and logging challenges on the onboard computer systems of UAVs.
- Produced comprehensive documentation aimed at aiding users and colleagues in comprehending specific software procedures.

EDUCATION

06/2020 – 05/2022
HIGH SCHOOL GRADUATE, MASTER'S HAND CHRISTIAN SCHOOL

- Achieved an exceptional GPA of 3.9.
- Successful completion of studies leading to graduation in May 2022.

- Recipient of the Academic Excellence Scholarship from Wallace State Community College in recognition of my academic achievements.

05/2021 – 05/2022
DUAL-ENROLLMENT STUDENT, CALHOUN COMMUNITY COLLEGE

- Excelled in the CompTIA+ IT Fundamentals course, demonstrating strong grasp of the subject matter.
- Proficiently concluded coursework in both C++ and Python Programming disciplines.

08/2022-PRESENT
FULL-TIME STUDENT, WALLACE STATE COMMUNITY COLLEGE

- Engaged in an in-depth exploration of software development cycles and gained a deeper understanding of project management concepts.
- Attained a Google Coursera certificate by enhancing my knowledge of both Windows and Linux operating systems.
- Expanded my knowledge of computer networking and computer security terminology and concepts.
- Currently maintain a perfect 4.0 GPA and have earned placement on the President's List on two occasions.

SKILLS

- Exhibits expertise in multiple programming languages, including but not limited to C++, Python, and Java.
- Possesses a high level of proficiency in comprehending Linux operating systems and the Linux Command Line Interface.
- Demonstrates exceptional collaborative abilities within team environments.
- Driven by a strong motivation to efficiently accomplish tasks and resolve challenges.

ACTIVITIES

- Member, Wallace State Talent Search
- Lead Volunteer, Daystar Next-Gen Ministries, Daystar Church
- President, Class of 2022, Master's Hand Christian School
